August 2009

Click through the latest news and resources from the Home Safety Council®.

### Host a Safety Saturday Event at Lowe's!

The Home Safety Council is seeking up to 400 Expert Network members representing fire departments to partner with their local Lowe's store to host a Safety Saturday event on September 26, 2009. Visit our **Safety Saturday** micro-site to find information on the program and resources to help you plan a Safety Saturday event in your community. Be among the first 400 Expert Network members to sign up to support your local Lowe's Safety Saturday and we'll send you a free copy of our new **Start Safe** program, as well as other **free educational materials** you can distribute at your Safety Saturday event! **Don't wait – sign up today!**

### Special Offer

During August, order the Safety Rangers Set of 5 Weekly Reader Packets for only \$20 for Expert Network members and \$35 for non-members. Regularly a value priced at \$62, the set includes materials for the following HSC & Weekly Reader Programs:

- Get Ready with Freddie print pack with DVD
- Safety Rangers Say No to Dangers
- Safety Rangers Spot Dangers
- Safety Rangers Know the Drill
- Safety Rangers Stay Away from Fire Danger
