REPORT of the ART and HISTORICAL COMMITTEE

The Art and Historical Committee submits the following report of progress in the preservation of objects of art and historical significance, and the use of them to relate the history of Berlin to young people and adults.

161 items or groups of items from 38 donors have been listed this year, with others received at year's end. Large numbers of articles have been given by Mrs. Harold Booth, Mrs. Richard Risi, and Mrs. Danford Tyler. The Town Collection continues to grow at an increasing rate.

The Town's 1970 appropriation of \$200 was spent on various preservation materials and storage containers. These are purchased from firms which cater to museums, archives, and libraries. The Society has purchased additional steel shelving, a typing table, and other equipment for the storage area in the Library. Our thanks to Mrs. Danford Tyler for a small safe for the protection of important books and papers, and to Roger E. Wheeler for moving it to the Library.

The Berlin Art and Historical Collection is listed in the Official Museum Directory of the American Association of Museums published in 1970. A copy of this volume has been purchased in order to help us locate agencies to contact when we have questions to be answered concerning other parts of the country.

Three meetings of the Society were attended by over fifty people.

In March, Memorial Hall was very crowded for our observance of the Town Hall Centennial. The renovation of Memorial Hall had been completed by that time. Work on Barnes Hall and the front hallway was begun in 1970.

In April the Society met with the Women's Evening Guild for a program on the First Parish Meetinghouse and its many historic furnishings. An

While the Librarian and her assistants manage the physical function of the Library the Trustees have completed the following projects toward the remodeling of the building-

- A new roof and a new well
- Rewiring of the building
- Installation of updated lighting
- Rooms painted and draperies added to the main rooms
- Book-return door cut in wood panel beside the front door
- Overgrown shrubbery removed-lower varieties of plantings added to front and sides of building
- The room that the Trustees formerly met in is now the Librarian's Office.
- A counter is being built along one wall for the new photo copier, the adding machine and book processing area.
- A new steel desk has been provided for the Librarian.
- The exterior trim has been painted.
- Exterior doors with crash bars are being installed.

We are extremely proud of our library. The Librarians and the Library Trustees work diligently to keep it up to date and sound, so that it may maintain it's important place in the community.

Respectfully submitted,
MILDRED J. EWING, Chairperson

HELEN L. PIERCE, Librarian

ART AND HISTORICAL COMMITTEE

The following progress in our programs of preservation and education has been made with the aid of the Berlin Art and Historical Society.

Ninety-one items and groups of items have been received for the Town Collection from fourteen donors. Gifts ranged from a large logging wagon to a single photograph. Work has begun on the listing and cleaning of the Town's collection of Province and State lawbooks.

An exhibit of the published Berlin Town Reports: 1855-1971 was prepared for the January Society meeting and the Town Election in March. At the November State Election, school-work done by Berlin children during the 19th Century was shown.

The other Society programs were on the subjects of the Barnes-Marble House (292 Linden Street), the South Berlin Post Office, and Berlin's First Meetinghouse, which was raised in 1779. The Meetinghouse program, in slightly different form, has also been presented for groups in Bolton, Lancaster, Northborough, and Southborough by Katharine Ann Bacon and Barry W. Eager.

LIBRARY TRUSTEES

Improvements to the Library in 1973 included the following:

Two remaining exterior doors have been replaced. The front steps were repointed and one sidewalk repaired.

The Librarian's office is complete.

Two large stationary fans added to the main room have made the library more comfortable during the summer months.

This year the storm windows that have been in the planning stage for three or four years have been ordered.

The Trustees and staff continue to make improvements to the library and it's services for the convenience and pleasure of the Town.

Respectfully submitted,
MILDRED J. EWING,
Chairperson

A story hour was started in October on a regular basis for pre-school children on the second and fourth Wednesdays of each month. This is being done, at present, on a voluntary scheme with no cost to the Town. The time of the staff and the supplies are donated. Carolyn Christensen and Ann Hohos have donated professional skill. It has been a huge success with as many as thirty-two children at one time.

Berlin Public Library played host to the Central Regional Advisory Committee in December with about twenty members present. They usually meet in the large libraries and many compliments were received about our nice building and decor.

Our photo-copier receives greater use all the time. We hope more townspeople will take advantage of this convenient service.

The Library served as Cancer Drive headquarters last year. Other committees and groups are invited to make use of our central location and beautiful building.

Respectfully submitted
HELEN L. PIERCE
Librarian

LIBRARY TRUSTEES

In 1974, storm windows were added to the Library. As a result, there has been a noticeable improvement in the comfort of the Library and a reduction in the Library's fuel consumption.

The final step in the renovation of the main room was completed this year with the installation of wall-to-wall carpeting. Visually, the carpeting brings the room together and shows off its handsome architectural features. The room is large and open. The carpeting helps to minimize the sound, an important consideration in a library. According to our excellent custodian, the maintenance is minimal.

A much needed dehumidifier was installed in the lower floor stack room. This room will be redesigned to function more efficiently as storage and working space.

The Library Trustees anticipate an increased demand on the Library within the next ten years. Our long-term plan is to turn the panelled room on the lower floor into the Children's Library and make the entire main floor the Adult Library.

The Trustees and staff continue to serve the Town through the Library and its services.

Respectfully submitted,
MILDRED J. EWING
Chairperson

RECREATION COMMISSION

The 1974 season was a successful one for all recreational activities in our town. We ran a four-team Little League and had enough younger boys for four Farm teams. In order to make the girls' softball more interesting, a league was formed with three teams competing. We hope there is more interest this year so we can run a four-team girls' softball league and run their season concurrent with the Little League season. The men had a four-team softball league and we hope to promote more interest this year. Maybe, if there is enough interest, we can get a ladies' softball league going this year.

We fielded an Intermediate League baseball team, which was independently funded by our Commission,

LIBRARY TRUSTEES

The Library Trustees regretfully announce the retirement of Helen Pierce after seventeen years as Librarian. Since her appointment in 1958, the circulation of books per year has increased from 3,099 to 11,505. There have been many changes and innovations during these years, the latest being our very successful Children's Story Hour. We are certainly going to miss Helen at the Library!

We have been encouraging more groups to use the Library facilities and the School Adult Advisory Committee now holds its monthly meetings there.

The movie program we started last summer, using movies we obtained through the Region, was one of our less successful ventures. Perhaps we will try again at a different time of the year if enough people are interested.

We are now open 18 hours per week, having added three hours on Saturday morning during the school year. Use of these hours has been slow so far.

We have replaced the magnetic book return door with a mail box type book return after a recurring problem with vandals.

The Trustees wish to thank Mrs. Anne Hohos for her continuing enthusiasm in leading the Children's Story Hour.

The new free-standing bookcases have enlarged our book space a great deal. We anticipate that they will be moved into the Children's Room when it becomes available.

Respectfully submitted,
DOROTHY K. ROGERS
Chairman

The library is open every Saturday morning from nine to twelve during the school year. This was done in answer to the request of many patrons for Saturday opening and boosts our weekly hours to eighteen.

Our story hour is held every Wednesday morning at 9:30 on school days and is very popular. There are films and varied activities besides stories.

The new "Media-mobile" replaced the bookmobile in the fall. We now offer, besides books, records, tapes, cassettes, film strips, games, toys, sculpture, and many more art prints.

STATISTICS

We are in the business of serving people. Our job is to gather books and educational materials and make them available to you. If our borrowers had had to purchase the books and services they received from us free, they would have spent over \$87,000.00.

You borrowed 9,852 books. Buying them at our price, you could have spent \$82,264.20

We circulated 448 magazines. You could have paid \$1.00 each for them, but we saved you 448.00

You listened to 120 of our records and cassettes and saved 597.60

You hung 24 art prints in your home or office. You could have spent more than 480.00

We secured 278 inter-library loans for our patrons. Some books were not available for purchase at any price 2,448.10

Film programs were presented to 160 people at the library. They could have paid more than this at the theatre 160.00

We answered 312 reference and research questions. Saving you (You saved more if you used the telephone) 312.00

At least 360 children attended Story Hour .. 360.00

FOR A TOTAL OF

\$87,069.90

All of these services cost the people of Berlin 9,247.76

YOUR LIBRARY IS A MONEY-SAVING INSTITUTION

LIBRARY TRUSTEES

The Trustees are pleased to report the completion of phase two of our Library renovation program, the repair and redecoration of the Stack Room. This room is currently being used for Friday afternoon movies for the school children, Wednesday morning story hours, and meetings of various town groups. With the Audio-visual equipment we obtained with a Federal grant, the room is proving very useful and popular.

The Grant, in the amount of \$1,090, was "federally funded with LSCA Title I funds through the Massachusetts Bureau of Library Extension." We used this money to buy a film projector, stereo record player, revolving paperback book stand, book truck, projection table, and stereo cart.

Ms. Margaret Rauscher was appointed Librarian as of April 1, 1976. The Trustees were pleased to choose Ms. Rauscher from a large group of well qualified applicants.

We regret that it was necessary to spend so much of the taxpayers' money on vandalism repair. The money so spent, \$370.13, could have purchased 44 or more new books.

Because we found circulation on Saturday mornings very low, we have decided to try a new schedule for 1977. The Library is now open from one until eight, Monday, Wednesday and Friday. We hope you will find this convenient.

Our objective is to stretch your tax dollars to provide the best possible service. We welcome your suggestions.

Respectfully submitted,
DOROTHY K. ROGERS
Chairman

LIBRARY HOURS

Monday, Wednesday, and Friday 1 - 8

Pre-school Story Hour 9:30 - 10:30, Wednesday
Movies for Kids 3:15 - 4:15, Friday
Both the Story Hour and Movies are omitted when
school is not in session.

We added 460 books to our collection and received a total of \$142.52 in fines.

FEDERAL AND STATE FUNDING: We received \$500.00 worth of reference books purchased under Title I of the Library Services and Reconstruction Act through participation in reference workshops sponsored by the Central Massachusetts Regional Library System.

An additional grant of \$100 was made to the librarian as a recipient of one of the Special Grants to Children's Librarians made possible by the Massachusetts Library Aid Association.

RENOVATIONS: The stackroom in the basement was revitalized. Walls and the ceiling were scraped and painted, the hardwood floor was sanded and refinished and the existing book stacks were cleaned and placed against the wall. Storm windows were installed on the basement windows.

This is now a very pleasant room which can be used for meetings.

VANDALISM: Many serious acts of vandalism have occurred during the past year. There have been incidences of many broken windows necessitating plexiglass replacements. A leaded glass panel beside the front door was broken. Soft drinks were dropped into the book return, ruining books that had been placed there. Plastic bags of paint were thrown at the building and on the sidewalks. Arson was attempted at the front door. The cost of these repairs has been extremely expensive.

SERVICES: Our renovated stack room is now available for use by small groups during library hours. The Adult Advisory Council, Senior Citizen Board, Pre-School Nursery Hour and the "Movies for Kids" programs have been conducted here.

A very successful program was held at the Library on December 10, 1976, honoring Arthur Kent, editor of "Three Years With Company K". A former Berlin resident, Mr. Kent was co-sponsored by the Berlin Art and Historical Society, the Tuesday Club and the Library.

Other programs conducted by the Library were a summer film festival for children, story-hour for the summer recreational program, library facilities for the nursery school and special programs for various classes of the Memorial School.

We would like to encourage YOU, the PUBLIC, in making use of the Library.

Respectfully submitted,
MARGARET RAUSCHER
Librarian

COUNTY AID to AGRICULTURE

Under direction of Worcester County Extension Service, we have Sewing, Foods, Sheep and Craft Clubs, also a large membership in the "Bolton Canterlopers".

We sold cookies in October for the benefit of Worcester County Projects, including Camp Marshall in Spencer. We have boys and girls attending this camp.

The Homemakers Group meets once a month at the homes of its members. Each meeting has instruction and discussion of homemaking and family living. Subjects covered were Tray Painting, Crewel, English Cooking, Use of Fruits and Vegetables, Trip to the Artemas Ward Museum and Quicks Orchard and Country Store, Low Cost Protein, and a Christmas Party with Special Foods.

Any Berlin woman may attend one meeting as a guest or become a member.

Respectfully submitted,
LOUISE F. LOCKHART
Director
