

Moses Reed Tyler Scholarship 2020

In 1937, Moses Reed Tyler, a resident of Berlin, Massachusetts, executed a will establishing a trust fund “for the benefit of such person or persons, who shall at the time be residents of the Town of Berlin, Worcester County, Massachusetts, or who shall have been educated in the public schools of Berlin and whose parents shall have resided therein... to enable such persons to continue their studies in places which may be approved by the [school] committee.”

Moses Reed Tyler charged the Berlin School Committee with determining the recipients of funds from this trust. In making its selection the School Committee is guided by the express intent of Moses Reed Tyler who stated that it was his desire to assist those students who are “earnest and industrious” and “who may not have the highest scholastic standing.” Funds may be awarded to students who are seeking training in occupations or trades in addition to students desiring to go to college or institutions of higher learning. Moses Reed Tyler expressly stated “that assistance shall be given to those primarily who would not be able financially to secure that education which this fund will enable them to obtain, but such assistance may be extended as well to others who might with less difficulty procure such education, but to whom such aid will be of assistance.”

The Berlin School Committee welcomes applications for Moses Reed Tyler Scholarship funds from eligible persons. **Due to changes and stresses caused by the coronavirus, this year’s application deadline has been extended to 3:00 P.M. on Friday, May 29, 2020.** Submit completed Application Forms to:

Awards Process: All scholarship applications are evaluated by an appointed subcommittee of the Berlin-Boylston Regional School Committee. After confirmation of eligibility, the committee evaluates each anonymized application using a rubric centered on two factors: (1) the extent of financial need and (2) personal qualities of being earnest and industrious. The applications are then sorted into four tiers: (1) Tier 1 Priority Beneficiary, (2) Tier 2 Beneficiary, (3) Tier 3 Beneficiary, or (4) Not Eligible / Do Not Recommend Award with associated award amounts for each tier, based on funds available that year. Once award recommendations are approved by the School Committee, all applicants are notified by mail of the subcommittees decision; approved high school senior recipients may also receive their award at their high school awards or commencement ceremony (NOTE: The extended 2020 submission deadline may not allow for this). Funds are then disbursed directly to the institutions named in the approved applications.
